ACADEMIC ADVISING CENTER

Bachmann Main Building, Room 19
One Neumann Drive
Aston, PA 19014

ACADEMIC ADVISING CENTER

**UNIQUELY
PERSONAL
ACADEMIC
ADVISING**

MISSION AND VISION

The Academic Advising Center, supported by a Federal Title III, Strengthening Institutions Program (SIP) Grant, is a vital component of Neumann University's commitment to educational excellence in the Franciscan tradition. It is a walk-in center for all Neumann University students. The Center specializes in serving undecided students and students in transition between majors.

Mission

Neumann University's Academic Advising Center provides a teaching and learning experience dedicated to student success. Academic advising engages students in developing a plan to realize their educational, career, and life goals while recognizing the importance of education in service to others.

Vision

The Academic Advising Center at Neumann University aspires to be an integral part of each student's journey of academic success.

"My Academic Advisor helped me to select my major and prepare for my study abroad experience."

Christina Perkins 2013

Each student at Neumann is assigned a personal Academic Advisor

Academic Advisors work with students to:

- Explore strategies for success
- Establish personal and academic goals
- Select challenging and rewarding courses
- Identify skills to become a life-long learner
- Develop and execute an educational success plan

Academic Advisors challenge students to consider:

- Study Abroad Opportunities
- An Academic Minor
- Social and Civic Responsibility
- Community Engagement
- Leadership Opportunities
