Adopt-A-Highway (AAH) Program at Neumann University

In 2009, Neumann University enrolled in the AAH program administered by PENN-DOT. There are four scheduled clean-up dates each year with two in the fall semester and two in the spring semester. On the scheduled date, each participant will be given a bag, gloves, and safety vest to wear while removing trash from designated areas along Pennell Road in Aston. Transportation to and from the clean-up site will be coordinated with Campus Safety. All faculty, staff, & students must receive safety instructions and sign a waiver in order to participate. Please contact Patti Strobl (stroblp@neumann.edu) to sign-up for one to three hours of service. Tentative dates for Fall 2009 are Tuesday, October 6th and Tuesday, November 17th from 9:00am – noon. In case of inclement weather, the event will be rescheduled.
