Kelly Golf Hits 20

On September 21, the sun shone brightly on Rick Adriano, Andy Soha, and Bill Baldini — three of the 82 golfers who drove, chipped, and putted their way through the 20th Annual Kelly Golf outing at the Brandywine County Club in Wilmington, Delaware. The event raises money for the Brendan P. Kelly ’87 scholarship which is awarded to students who demonstrate leadership, participate in meaningful extracurricular activities, and understand commitment.

Dear Alumni,

What an impressive time to be a graduate of Neumann University!

During this historic year, alumni have mentored students, served on University boards, seized career development opportunities, and reunited with friends at Homecoming and other campus events. As we celebrated achievements of University status, the first NCAA National Championship, and the opening of the Mirenda Center for Sport, Spirituality and Character Development, each and every graduate made a difference. More importantly, each graduate left these celebrations knowing that the core of what makes Neumann special is still alive and well.

The success of our Alumni Association is not new; with your help we’ve just reached new levels. Our students are learning that the relationship with Neumann is life-long. Now, the Alumni Association is over 9,000 strong. More than 9,000 ambassadors, mentors, friends, and contacts continue to build support for Neumann and for each other personally and professionally.

Visit the Alumni Online Community at alumni.neumann.edu and rekindle your connection. There’s no better time than today!

Sincerely,

Judi Stanaitis ’07

Honors Grads

The Alumni Association added seven Honors Program graduates to its ranks this spring. Pictured at the April 24 Academic Awards Convocation with program director Richard Sayers are (front row) Ashley Losnedahl, Ashley Bentivoglio, Jennifer Pinto and Harminda Morales, and (back row) Nicole Howat, Jeanne Fusello, Wade Rice, William Otto and Christina Biehl. All except Fusello and Otto graduated on May 16.

On April 24, 2009, Neumann College officially became Neumann University when the Secretary of Education for the Commonwealth approved this designation. The process of achieving university status took more than two years from concept to completion. The decision to file the application came in October 2007, when the Neumann College Board of Trustees voted unanimously in favor of pursuing university status.

Now Neumann alumni have the opportunity to exchange their diploma from Neumann College for one from Neumann University and are able to do so with no charge until May 1, 2010. After this date a $25 degree replacement fee will be charged for this exchange. For all graduates prior to 2009, new diplomas will have the words “Replacement Diploma” printed on the bottom right-hand corner and will be signed by the current president and current president of the Board of Trustees.
