Your 2013–2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete the applicable sections and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact the Office of Financial Assistance at finaid@neumann.edu or 610-558-5221 as soon as possible.

C. Verification of 2012 Income for Student

1. Student Tax Filers - 2012 IRS Income Tax Return Information

   Important Note: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2012 or had a change in marital status after the end of the 2012 tax year on December 31, 2012.

   Complete this section if the student and spouse filed or will file a 2012 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2012 IRS income tax return information that was transferred into the student’s FAFSA using the IRS DRT if that information was not changed. In most cases, for electronic filers, 2012 IRS income tax return information for the IRS DRT is available within 2–3 weeks after the 2012 electronic IRS income tax return has been accepted by the IRS. For paper filers, it is 8-11 weeks. Contact the financial aid office if more information is needed about using the IRS DRT.

   Check the box that applies:

     ☐ The student has used the IRS DRT in FAFSA on the Web to transfer 2012 IRS income tax return information into the student’s FAFSA.

     ☐ The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2012 IRS income tax return information into the student’s FAFSA once the 2012 IRS income tax return has been filed.

     ☐ The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and instead will provide the school a 2012 IRS Tax Return Transcript(s). (signature not required)

   To obtain a 2012 IRS Tax Return Transcript, go to www.IRS.gov and click on the “Order a Return or Account Transcript” link, or call 1-800-908-9946. Make sure to request the “IRS Tax Return Transcript” and not the “IRS Tax Account Transcript.” Use the Social Security Number and date of birth of the first person listed on the 2012 IRS income tax return, and the address on file with the IRS (normally this will be the address used on the 2012 IRS income tax return).

   If the student and spouse filed separate 2012 IRS income tax returns, 2012 IRS Tax Return Transcripts must be provided for both.

     ☐ Check here if a 2012 IRS Tax Return Transcript(s) is provided.

     ☐ Check here if a 2012 IRS Tax Return Transcript(s) will be provided later.

2. Student Nontax Filers - 2012 Income Information

   The instructions and certifications below apply to the student and spouse, if the student is married. Complete this section if the student and spouse will not file and are not required to file a 2012 income tax return with the IRS.

   Check the box that applies:

     ☐ The student and spouse were not employed and had no income earned from work in 2012.

     ☐ The student and/or spouse were employed in 2012 and have listed below the names of all employers, the amount earned from each employer in 2012, and whether an IRS W-2 form is provided. Provide copies of all 2012 IRS W-2 forms issued to the student and spouse by their employers, if available. List every employer even if the employer did not issue an IRS W-2 form.

   If more space is needed, provide a separate page with the student’s name and ID number at the top.

D. Receipt of SNAP Benefits

SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

The student’s household includes:

- The student.
- The student’s spouse, if the student is married.
- The student’s or spouse’s children if the student or spouse will provide more than half of their support from July 1, 2013, through June 30, 2014, even if the children do not live with the student.
- Other people if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2014.

Check the box that applies:

- ☐ A member of my household received benefits from the SNAP program sometime during 2011 or 2012.
- ☐ No members of my household received benefits from the SNAP program during 2011 or 2012.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2011 or 2012.

E. Child Support Paid

The student or spouse, who is a member of the student’s household, paid child support in 2012. List below the names of the persons who paid the child support, the names of the persons to whom the child support was paid, the names of the children for whom the child support was paid, and the total annual amount of child support that was paid in 2012 for each child.

</tr>
</tbody>
</table>

If more space is needed, provide a separate page that includes the student’s name and ID number at the top.

Note: If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as:

1. A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
2. A statement from the individual receiving the child support certifying the amount of child support received; or
3. Copies of the child support payment checks or money order receipts.

F. High School Completion Status

- A copy of the student’s final official high school transcript that shows the date when the diploma was awarded.
- A copy of the student’s General Educational Development (GED) certificate or GED transcript.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting.
