2014–2015 Dependent Student Verification Worksheet

Your 2014–2015 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete the applicable sections and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact the Office of Financial Assistance at finaid@neumann.edu or 610-558-5521 as soon as possible.

B. Receipt of SNAP Benefits

The parents certify that a member of the parents’ household, received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2012 or 2013. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

The parents’ household includes:
- The student.
- The parents (including a stepparent) even if the student doesn’t live with the parents.
- The parents’ other children if the parents will provide more than half of their support from July 1, 2014, through June 30, 2015, or if the other children would be required to provide parental information if they were completing a FAFSA for 2014–2015. Include children who meet either of these standards even if the children do not live with the parents.
- Other people if they now live with the parents and the parents provide more than half of their support and will continue to provide more than half of their support through June 30, 2015.

Check the box that applies:

- A member of my household received benefits from the SNAP program sometime during 2012 or 2013.
- No members of my household received benefits from the SNAP program during 2012 or 2013.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2012 or 2013.
