Top FIVE Alumni Questions

When am I considered an alumna/i of NU?

When you complete your degree program you are officially an alumna/i of the University.

How much does it cost to be a member of the Alumni Association?

Benefits are automatic, there are no dues involved.

How big is the Alumni Association and how far does it reach?

Neumann has over 13,000 graduates. Our graduates reside in all 50 states and in various countries such as Canada and the UK.

What is Alumni Relations?

The Alumni Relations office is located on the 4th floor of the RAB. This office is the liaison between alumni and the University. The office of Alumni Relations communicates regularly with alumni about news and events of the University and continually offers programs that meet the needs of alumni. Alumni Relations also partners with Career Development in supporting student and alumni career goals.

Is it too early to start using the services offered by Alumni Relations?

It's never too early. We encourage early participation in the events and activities that enable students to meet successful alumni!
