

# 2018 BY THE NUMBERS

## 25,000 ITEMS COLLECTED

Over 20,000 pieces of clothing have been collected. The Wardrobes for Work program, initiated by Neumann University's Center for Leadership, offers a range of men's and women's business suits, dress suits, and casual workplace attire.

## DOZENS OF BINS IN THE DELAWARE VALLEY

Dozens of local businesses and law firms, the Delaware County Chamber of Commerce, and Delaware County government offices have helped collect clothing by placing workplace attire donation boxes in their offices. Contact us to host a bin in your location.

## GENEROSITY OF MANY

"Through the generosity of many local businesses, residents and government offices, we have collected thousands of articles of work clothing over the past few months in a variety of sizes. We want to help individuals to further their careers by giving them access to the workplace attire they need to succeed". Danielle McNichol, Esq. Director of the Center for Leadership and General Counsel, Neumann University

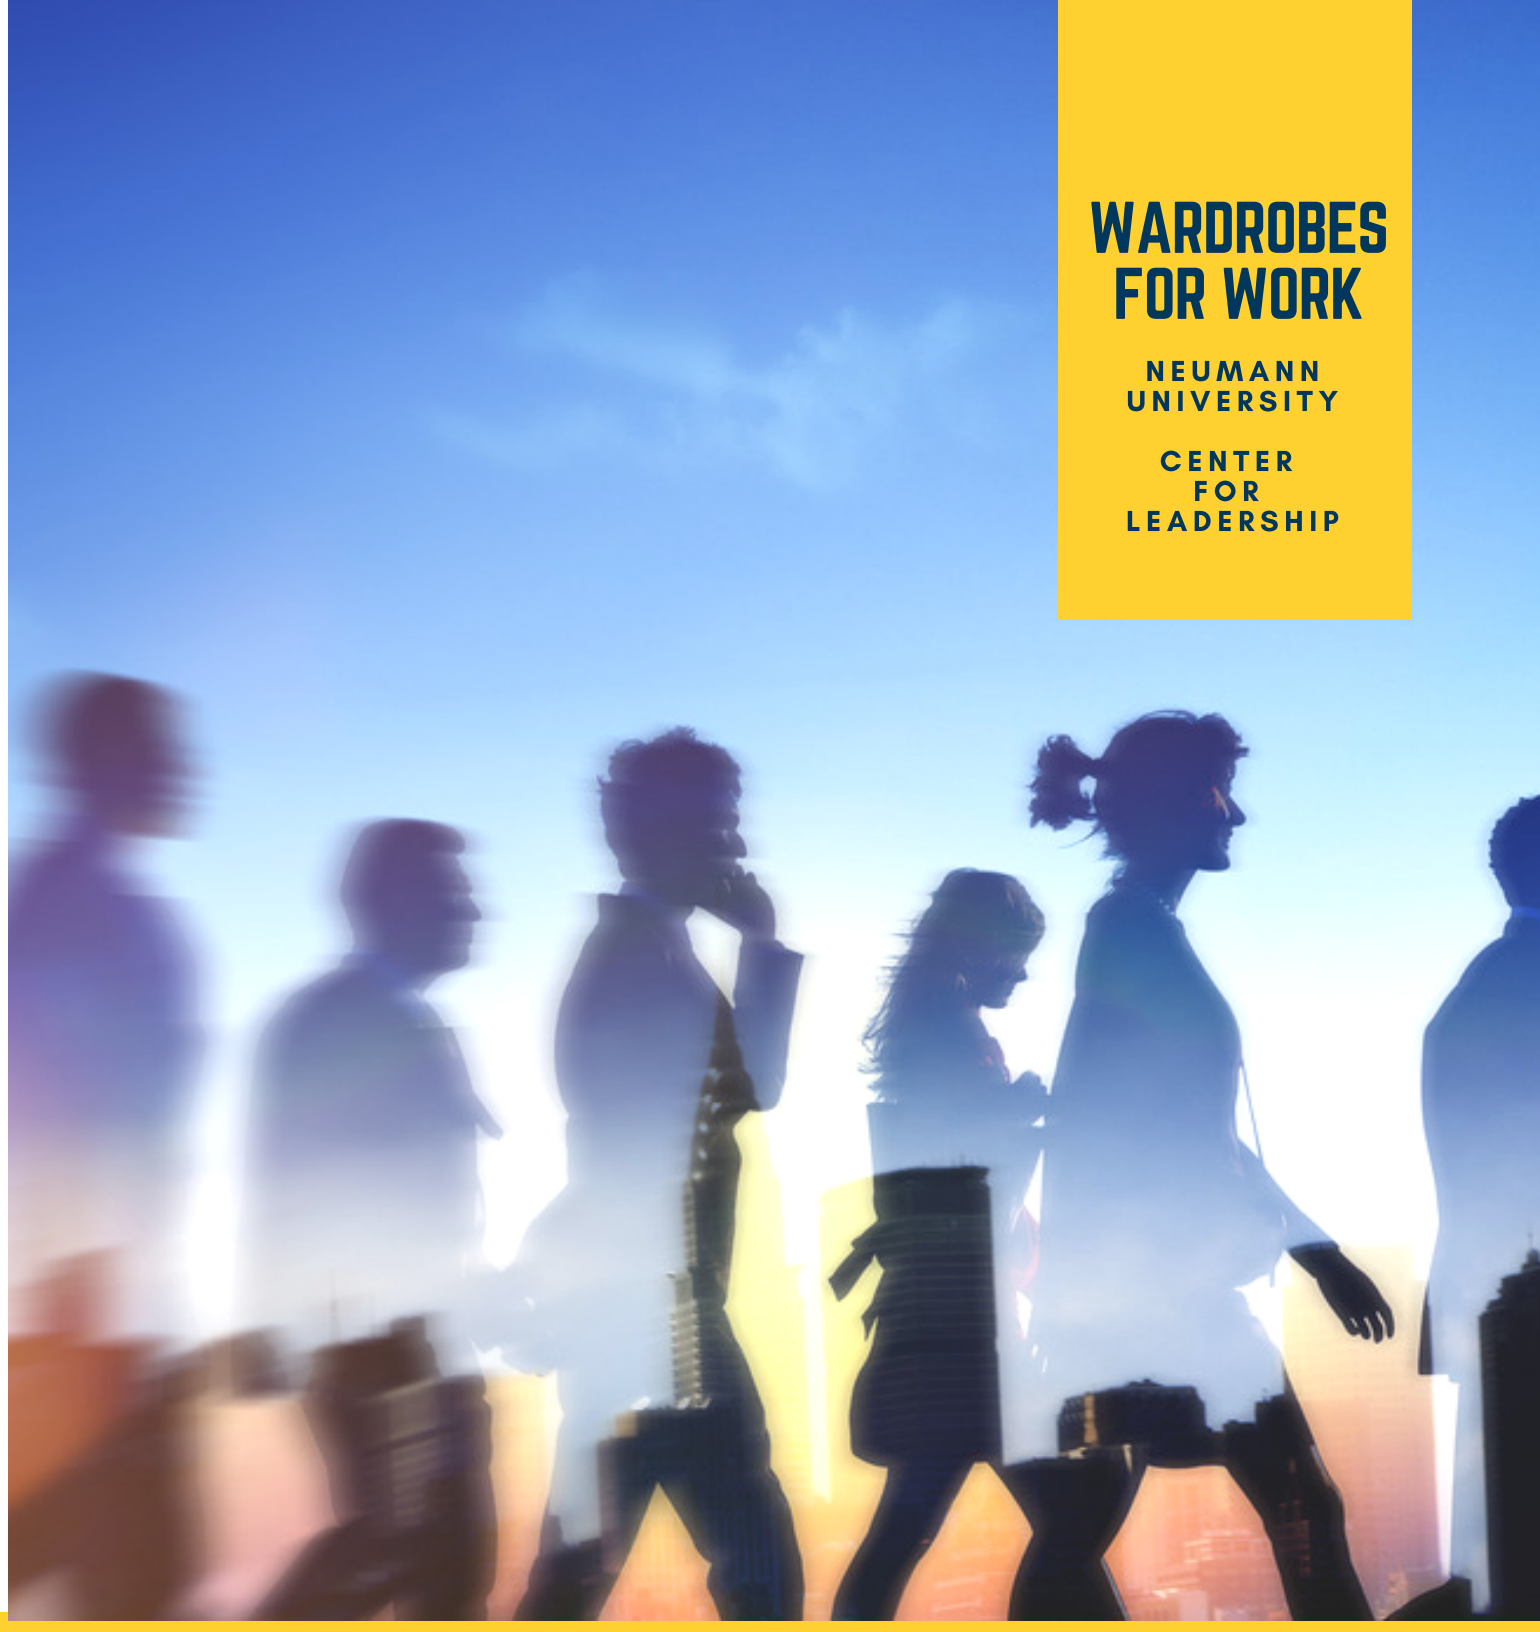

## WAYS TO VISIT THE CLOSET

Those interested in obtaining work attire may visit one of the open house events or may schedule an appointment by contacting the Center for Leadership.
