

Clare of Assisi: Her Life and Legacy by Sr. Ingrid J. Peterson, O.S.F., Ph.D.

This series introduces Clare of Assisi, her life at San Damiano, her relationship with Francis and his brothers, her writings, the spirituality in her letters to Agnes of Prague, and their perseverance to gain papal approval for her *Form of Life*. Understand the conviction and courage of St. Clare as you learn how she pushed against the 13th-century reforms of Pope Gregory IX and held that in imitation of Christ, cloistered women should follow the evangelical counsels without owning property.

Journey through the life of St. Clare and her struggle to follow Christ as she felt called, not how the world or even the Church expected. You will treasure this course and Sr. Peterson's knowledge of the woman who has inspired so many to follow their heart and to follow God.
