

*Street Spirituality* by Prof. Robert J. Wicks, Psy.D.

Discover the intersection between faith, loving God, and your daily living. Dr. Wicks, author of over 40 books on psychology, spirituality, and personal growth, defines street spirituality as a deep sensitivity to God in our lives. Essentially, street spirituality is based on the fact that living a prayerful life and living an everyday life are one and the same. Throughout this captivating series, Professor Wicks shares stories, lessons, and insight from his experiences around the world.

Professor Wicks explains that God's constant presence is a comfort in the trying times at all times. Living in the here and now is essential to understanding God and all of the graces we receive from Him each day.

In this 2-CD set, originally produced by Ave Maria Press, Professor Wicks will help you understand the power and comfort of praying through difficult times and letting prayer infiltrate all elements of your life.
