

Thomas Merton's Great Sermons

Thomas Merton, O.C.S.O.

Introduction by Fr. Anthony Ciorra, M.Div., Ph.D.

Introductory Lecture + 4 Sermons on 2 CDs

About Your Presenter

Thomas Merton was one of the 20th Century's great mystics. A monk and best-selling author, Merton struggled with deep questions about God's existence, moral values, and the role of organized religion. His thinking moved from cloistered monastic life to issues of social justice and interreligious understanding. Those who knew him also experienced his gifts as homilist and teacher. These special recordings are part of his spoken word legacy.
